DERA BASSI

Think Big Think Ahead

Chandigarh is among India's most picturesque cities. People love it for its planned layout, beautiful gardens, open spaces and its uncluttered yet ultramodern lifestyle. But we're going one step further in reflecting the splendour of this model city in our upcoming township, which is replete with all modern amenities.

ATS Golf Meadows is a new development at Dera Bassi, just 9 kms from Chandigarh border. With a proposed site of 300 acres, Golf Meadows takes the best aspects of Chandigarh and recreates them in a grand township that is beautifully laid out around a golf facility.

ATS INFRASTRUCTURE

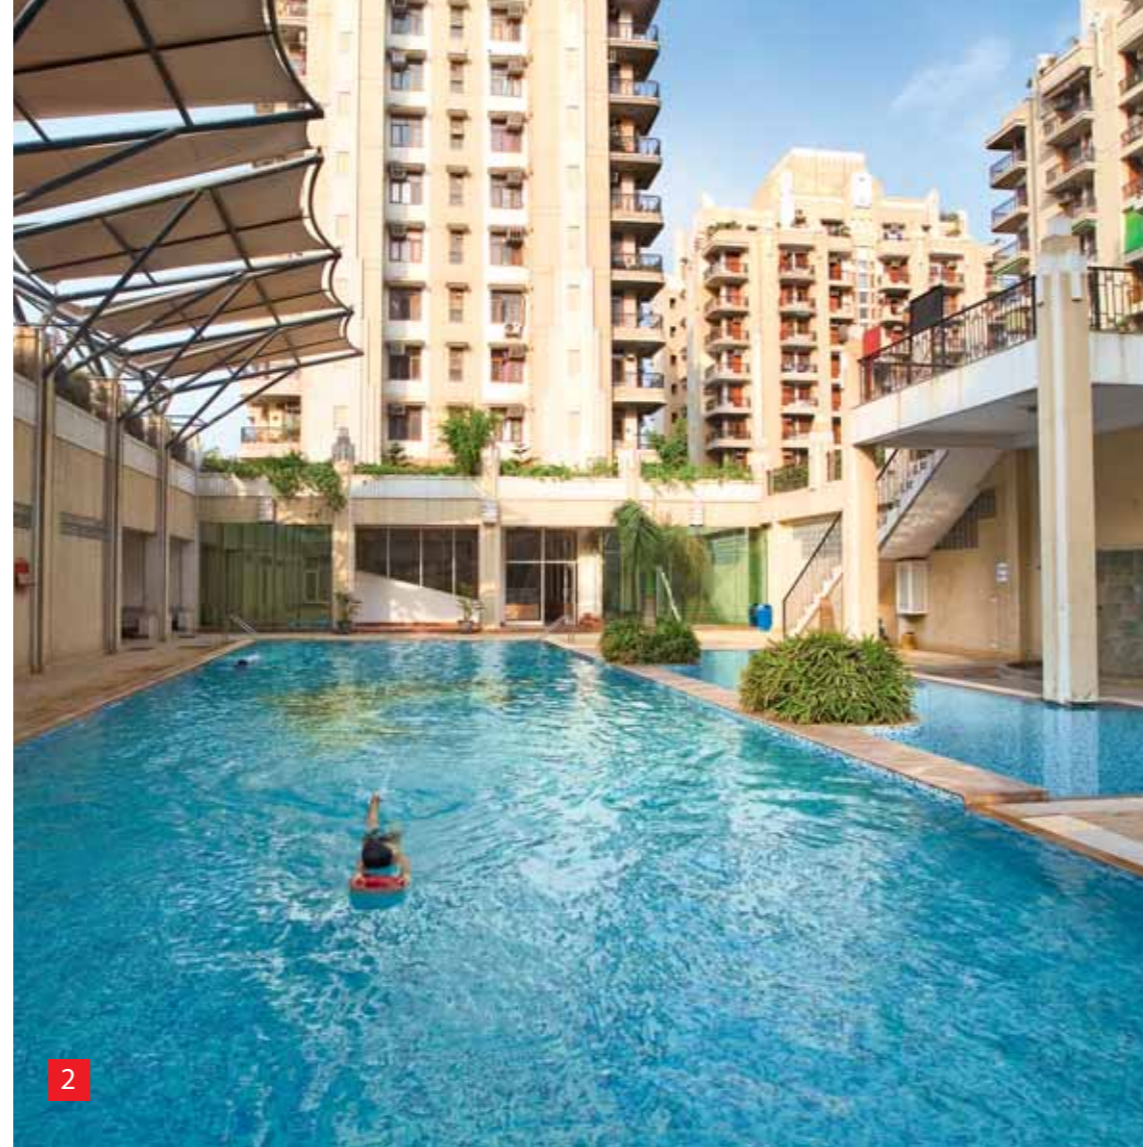

A History of Setting New Standards

We began operations over a decade ago with the motto of professional integrity, transparency and an uncompromising insistence on quality. Setting new benchmarks with the creation of ATS Greens I, ATS Greens II and ATS Village in Noida, we strove on with ATS Paradiso in Greater Noida,

ATS Advantage in Indirapuram and ATS Golf Meadows Prelude in Dera Bassi.

The reason for our success is simple. We believe that great homes are only made when superb construction is combined with well-planned and thought-out spaces that are designed keeping you in mind. And at ATS, great is the only way we know.

3. ATS Village at Sector 93, Noida was completed in 2006, a year ahead of schedule. This beautiful property has apartments, villas and penthouses spread over an area of 22 acres. Its stunning swimming pool and sprawling clubhouse made this the most talked about property in the area.
4. ATS Paradiso, located at Sector Chi 4, Greater Noida has plush apartments and villas spread over 32 acres. This property gave grandeur a new dimension in Greater Noida. With a private pool for penthouses, it offers a life of indulgence and luxury.
5. ATS Golf Meadows Prelude is a gated residential community spread over 14 acres of lush green spaces within the larger ATS Golf Meadows Township in Dera Bassi. Apart from a sparkling swimming pool, a clubhouse and a well equipped gym, residents will also have access to all the educational, health, recreational and other amenities that this township has to offer.

1. ATS Greens I, located at Sector 50, Noida is spread over approximately 3 acres. It was our first residential project and with it, Noida saw a new marvel of design and community living. It was a landmark project that set new benchmarks in the NCR region.

2. ATS Greens II, located at Sector 50, Noida is spread over 4 acres. It was completed in 2004. With modern amenities like a clubhouse, swimming pool, squash and badminton courts, a dedicated playpen and lush gardens, it broke the myth of apartments being just isolations in concrete jungle.

Interiors that add to the happiness of living together.

Beautiful swimming pools, a hallmark of all ATS properties.
